4-H County Ambassadors

The 4-H County Ambassadors programs are a source of leadership development. The best and brightest 4-Hers are selected to represent their county. These are members who have excelled in their own projects, have served their county program in other ways, and have been deemed worthy to represent their fellow 4-Hers. The 4-H County Ambassadors rank recognizes members' leadership abilities, but it is also a working honor. Besides their regular projects and activities, 4-H Ambassadors are required to assist with county events, develop a plan of action, and perform service projects. This provides older 4-Hers with something to strive for and keeps high school-aged members in the program, providing leaders for younger members and, in turn, someone for younger members to look up to. All of this adds up to a unique leadership experience special to the 4-H youth development program.
